

The figure displays a scatter plot of data points forming a closed, irregular loop. The x-axis is labeled from 0.0 to 1.0, and the y-axis is labeled from 0.0 to 1.0. The path begins at approximately (0.0, 0.9), proceeds right and down to (0.2, 0.2), then curves sharply down and left to (0.15, 0.05), then right and down to (0.4, 0.4), then right and up to (0.6, 0.6), and finally curves back to the starting point, completing the loop.
